Almanac is thrilled to present Adventure Time is Over, a project in collaboration with Fondazione Spinola Banna per l'Arte, emerging from the workshops held by Stefano Arienti, Jason Dodge and Raimundas Malasauskas. The exhibition collects and reflects the dialogue and dynamics that occurred during the time of the workshops at the Spinola Banna Foundation, exhibiting the remainders of these interactions.

Driven by a shared flow of conversation, the singularities of the participants become visible from this joint movement arisen from a communal space and time. Aiming to reflect and expand the nature of the dialogue started at the Foundation, Adventure Time is Over will host a series of events, performances and screenings.

Almanac è lieto di presentare Adventure Time is Over, un progetto in collaborazione con la Fondazione Spinola Banna per l'Arte che emerge dagli workshops tenuti da Stefano Arienti, Jason Dodge e Raimundas Malasauskas. La mostra colleziona e riflette il dialogo e le dinamiche scaturite durante i workshop alla Fondazione Spinola, presentando i residui di queste interazioni. Spinti dal flusso condiviso della conversazione, le

singularità dei partecipanti diventano visibili in questo movimento congiunto scaturito in uno spazio e tempo comune. Proponendosi di riflettere ed espandere la natura di questo dialogo iniziato alla Spinola Banna, Adventure Time is Over ospiterà una serie di eventi, performance e proiezioni.
